INTRODUCTION

- ✦ Welcome. The structure of morning is on the hand-out.
- ✦ Many of you here will be leaders. This morning is your time to receive from God.
Psalm 118.5: "When hard pressed, I cried to the LORD; he brought me into a spacious place."
This is your spacious place to be with the Lord.
- ✦ During the quiet times, there will be no speaking - which can feel strange to some - but take it as a gift - a spacious place in which you are safe to receive God's good gifts of refreshing, healing and loving.
- ✦ There will be quiet music playing in this room, to help to create a sense of space. Please let me know if you find the choice of music intrusive or the volume either too high or too low.
- ✦ Explanation of the space(s) available elsewhere in the building/grounds.
- ✦ Prayer stations are available, and the sheets should be self-explanatory.
- ✦ Books, Bibles, pens and paper are also available.
- ✦ Explanation of individual prayer ministry slots if they are available.
- ✦ Are there any questions?
