

St Nicholas & St Barnabas Stewardship Renewal 2011

Please address any reply to the
Stewardship Renewal Office:
23 Berkeley Road,
Kenilworth, CV8 1AQ

May 2011

Dear Friend,

Thank you for the part you play in the life of our churches and for all you give. You will be aware that this year we are inviting all those who attend to review, thoughtfully and prayerfully, their contribution to God's work within the parish. Stewardship gives us an opportunity to give thanks to God for His many blessings and to commit ourselves to support His work at St Nicholas & St Barnabas and throughout the world. Stewardship reminds us to recognise our commitment in financial and practical ways to support the work of God in this parish and in the Diocese.

This envelope contains information leaflets which will give you some insight into the costs and needs of running the parish and supporting the work of the Diocese. Please read the enclosed leaflets carefully and prayerfully. If you would like to know more, or if we have not heard from you by 6th June a member of the Stewardship Team will telephone and can call to answer any questions you may have. If you do not need any help then please complete and return the forms by 4th June, either at the church collection point at the back of each church, or to the above address.

If you pay income tax: Please complete the Gift Aid Declaration and the Standing Order instruction (the yellow sheet) then seal it in the envelope provided and return it, either by post or to the collection point in each church. If you would prefer to give cash, please tick that option on the Gift Aid form and we will be in touch.

If you do not pay income tax: Please complete the Pledge form and the Standing Order (the blue sheet) or, if you prefer to give cash, tick that option on the form and return by post or place in the collection point in each church.

Whatever your decision it will be treated in the strictest confidence.

Thank you for your support and your contribution to the life of the parish

Yours sincerely,

Vicar

Church Wardens

District Churchwarden
